

Peel-off Mask menthol – spirulina *cryo effect*

FACE
Peel-off Mask
•
second skin effect
Ref. H04

Spirulina is a treasure in cosmetics; its high content in this mask makes it a regenerating and refreshing treatment which nourishes and tonifies the skin.

Tonifying activity

Spirulina is very rich in vitamins E, C and A (retinol), recognized for their anti-ageing activity.

While stimulating the cells' renewal, they improve the tissues' tonicity. The vitamin A has especially a skin-tightening effect while increasing the collagen fibers' rate; associated with the vitamin E and its strong anti-oxidant action, the vitamin A helps to firm up the skin.

A feeling of freshness

The menthol cryo complex contained in the mask has a calming and refreshing action. Spirulina, coming from the marine world, strengthens this feeling thanks to the remineralising minerals and trace elements it releases.

Face PEEL-OFF, fresh effect, acerola, vit.C, regenerating, refreshing

Dose: 30 g of powder and 90mL of water.

Pour all the water at once on the powder, stir quickly and vigorously during one minute to get a homogeneous paste.

Important: use water at 20°C.

Apply the paste immediately to the face. The mask sets in 6 minutes following the application. Leave the mask to perform its function at least 15 minutes. Remove it by peeling off in one whole piece.

Use before: 24 months / Avoid heat, light and humidity.
